

### **Quality Policy Statement**

Atkinson Building Contractor's aims to provide a range of services and a 'one-stop solution' that will meet the expectations and needs of our customers and provide value for money.

It is our policy to manage all aspects of the business diligently and particularly to comply with contractual, customer, statutory and legal requirements and for all employees to adhere to respective procedures and working practices including quality. The company's Management System includes Quality and is based upon the principles of BS EN ISO 9001.

It is the ongoing policy of the Company to continually improve our service and the management systems by the setting of quality objectives and to provide the necessary working environment, training and resources to ensure that efficient and safe working practices which enhance the Company's established reputation and retains and improves its position in the market place.

All employees have an essential part to play in delivering quality service including identifying ways that we can continuously improve our customer service and the management systems. Line Managers encourage a culture where people feel engaged and empowered to effect change. Regular quality system reviews are undertaken and continual improvement sought throughout the business

This policy is communicated to all employees.

The quality policy and management systems are monitored and reviewed on a regular basis for continuing suitability.
