

Corporate Responsibilities Policy

The company is committed to go beyond the requirements of legislation by acting in an ethical and sustainable manner. This is achieved by considering the company's economic, social and environmental impacts in the way it operates and by utilising its management systems in order to engage staff, customer's suppliers and the community.

Atkinson Building Contractors seeks to operate in a responsible manner. We believe the long-term business success of the company is best served by recognising the importance of balancing the interests of our staff, customers, local communities, and the environment in which we operate. The management of these environmental and social issues is a base for good corporate governance and is incorporated into business decisions at all levels of the organisation and is incorporated into the company's Integrated Management System where appropriate.

The Environment

We are committed to our Environmental Policy Statement and our continuous improvement programme in order to minimise the impact our activities have upon the environment.

Our Employees

The company aims to be a good employer, recruiting, investing in training and retaining skilled and motivated staff across all departments. In line with our Equal Opportunities Policy, we promote equality and diversity and ensure the welfare, health and safety of all our staff is of paramount importance. Continual personal development and staff training is encouraged and supported throughout the workforce.

Our Suppliers

We conduct all our business relationships on the principles of its core values of accountability, excellence, honesty, teamwork and integrity. Our aim is to build mutually beneficial relationships with all our suppliers. Suppliers are sourced locally whenever possible with consideration given to their environmental ethics.

Local Communities

The company is committed to making a positive contribution to the local community in which we operate and contributing to long term sustainable benefits to the local people and environment. We shall support a number of local initiatives and fundraise for local charities
